

Black Out Dates / Division Selection

Your club or a team can access the league application and select three days they do not wish to play and select the division you request to play in. We will do our best to accommodate these requests.

Should you select a day or division in error, you can go back and modify the choices until we close the request window.

- 1) Log into your GotSoccer Club account
- 2) Click on the **Club** tab
- 3) Click on **Teams** on the dark blue menu bar
- 4) You will see a list of teams.
- 5) Click on a team name

The screenshot shows the 'Manage Teams' interface on the GotSoccer website. The top navigation bar includes 'Home', 'Clubs', 'Referees', 'Training', and 'League'. A dark blue menu bar contains 'Management', 'Coaches', 'Team Officials', 'Teams', and 'Help'. The 'Teams' menu item is highlighted with a red box. Below the navigation is a search and filter section with dropdowns for 'Page Size' (20), 'Photos' (Yes), and 'Filter by Upcoming Event'. There are also dropdowns for 'Gender', 'Age', 'Coach/Manager Name', 'Team Name', and 'Level/Grade'. A 'Set Level/Grade' button is visible. Below the search section is a dropdown for 'Enter Teams in an in-house League, Training Program, or other associated event' with a 'Select' button. There are buttons for 'Email Selected Teams' and 'Print Selected Team Contacts'. The table below shows a list of teams, with 'Auburn Soccer Club U9' highlighted in red.
